THE FIFTH.

Bradley and Hardin Hold Another Debate at Leitchfield.

Noth Speakers Were Hourse and Spoke With Difficulty—An Audience of Be-tween 5,000 and 7,000 Present Frem

Librohfield, Ky., Aug. 39.—More people frowled into the little town of Leitchfield Wednesday to bear the fifth of the series of gebates between Mr. Hardin and Col Bradley than the oldest inhabitant ever saw before. The crowd was variously estimated at from 5,000 to 7,000 and it came from at least eighteounties. Aside from the county of Graykon. Breekinsidge, Hardin, Hart. Butler. Edmonson, Ohio and Meade were represented by large delegations, which arrived partly on

The asked that the questions be answered in his rejoinder. Mr. Hardin showed how Col. Bradley had dodged his questions by asking others instead and when driven from quoting certain authorities had quoted others.

Certain authorities had quoted others.

Col Bradley was also warmly greeted when he prose to speak. He said that probably such crowds as were attending their debates had never before assembled in Kentocky; that this was a momentous year in the history of this was a momentous year in the history of Kentucky, and the reason the people turned out so was they were in a state of unrest and discatisfaction over the results of the democratic administration. He then devoted his speech as usual, to the currency question advocating the single gold standard. Then he made an appeal to the populists, who are very strong in this county, and said he wished Tom Pettit was here to join in the debate. He would like to hear him. Then he took up the would like to hear him. Then he took up the number forty-five, some of whom will Negro question and said that he would not vote for a law in Kentocka similar to that now in force in New York. He averred that he was opposed to mixed schools in Kentucky. This The your sun. sitions of combined capital.

As law abiding citizens of the American republic, we solemnly protest against the arbitrary and dangerous exercise of the judicial power—the incarceration and punishment of ien without trial by jury or the observance of any of the forms of law guaranteed by the constitution, and we demand of the 5th congress,
secon to assemble, such legislation as will unmistakably and torall time, define the rights
of labor in all future conflicts with the giantic
and nowerful corporations which now control
the laterstate commerce of this country;
therefore.
